1. INTRODUCTION.

The Limpopo Department of Economic Development, Environment and Tourism (LEDET) was established in December 2004 as a result of its separation from the former Department of Finance and Economic Development by an Executive Council decision.

The promotion of Access to Information Act was promulgated in March 2001. The Act was put in place to actively promote a society in which the people of South Africa have meaningful access to information which enables them to fully exercise and protect their rights. The promulgation of the Act was also designed to foster a culture of transparency and accountability in public bodies.
