

Limpopo company recognized at Productivity SA awards

As Productivity Month draws to a close, the department participated in a celebration of productivity and innovation, hosted by Productivity SA at the National Productivity Awards Ceremony, now merged with the Africa Kaizen Awards, where tribute was paid to individuals, organisations, and communities for their roles in building the country's productivity capacity at Birchwood Hotel, Boksburg, Gauteng Province yesterday.

In addition to fostering productivity and competitiveness within the nation, also in partnership with the Productivity SA, the Awards also reinforce a continental and national objective: to establish excellence, stimulate innovation, and integrate the culture of continuous improvement that will solidify Africa's position in the global economy.

The finalists representing Limpopo were: Mashabela Business Enterprise (Micro and Medium Enterprise: CIS- Competitiveness Improvement Solutions), Mawasha Chemicals (Micro and Medium Enterprise: CIS), Murendi Properties and Buildings (Medium Enterprise: Business Turnaround & Recovery), and Vhandalamo Financials (Medium Enterprise: Business Turnaround & Recovery).

We commend Mawasha Chemicals from Greater Letaba Local Municipality, Mopani District operating in Modjadjiskloof for winning in the Kaizen category for medium enterprises.
