

Tourism Month 2026 Activities Set to Showcase Limpopo's Tourism Offerings

The Limpopo Department of Economic Development, Environment and Tourism (LEDET) will commemorate Tourism Month throughout September 2026 with a series of exciting activities aimed at promoting the province's diverse tourism attractions and encouraging greater domestic travel. Key activities include the **LWR Mahala Week (7–13 September)**, **Youth Adventure Camping at Potlake Nature Reserve (9–10 September)**, a **Media Tour to Nylsvley Nature Reserve (15–16 September)**, and a **Campers Weekend at Flag Boshielo Dam (25–27 September)**.

The programme will provide opportunities for young people, media practitioners, outdoor enthusiasts and the public to experience Limpopo's natural beauty, adventure tourism offerings and protected areas. Colleagues are encouraged to support and participate in the activities as the department continues to position Limpopo as a preferred tourism destination and drive awareness of the sector's contribution to economic growth and job creation.
